Late students will be escorted from the cafeteria to their class by the Director or helpers. This is in compliance with the Diocesan mandate relating to safe environment.

It is up to you as parents/guardians to be aware of children in the parking lot and to use caution when entering, parking, and/or leaving the parking lot area.

If you are attending Mass while your children are in Religious Ed classes, I strongly advise that you park in the upper church lot and walk your children down to the school. There are approximately 425 children coming and going in a three hour time frame, with the potential for the same number of cars moving in the parking lot also during this time.

CAUTION MUST BE PARAMOUNT during these hours.
